Finance, Risk and Audit Committee Charter

1. ESTABLISHMENT

This Charter sets out the basis on which the Board has established a Finance, Risk & Audit Committee ("Committee") pursuant to the Constitution.

2. PURPOSE

The purpose of the Committee is to assist the Board in meeting its obligations relating to EROAD's:

- 1) risk management and internal control principles;
- 2) financial reporting; and
- 3) auditing processes and activities.

The committee has no decision making powers except where expressly provided by the Board.

3. COMPOSITION

The Board will regularly confirm the membership of the Committee. The Committee shall comprise at least three members each appointed by the Board. The Committee shall be comprised solely of independent "non-executive Directors", who are able to read and understand financial statements. At least one member of the Committee shall have relevant financial experience.

The Board shall appoint one of the members of the Committee to be the Chairperson of the Committee. The Chairperson of the Board shall not be the Chairperson of the Committee. The Chairperson of the Committee should be independent, and not otherwise have a longstanding association with EROAD's external audit firm as a current, or retired, audit partner or senior manager at the firm. The Chairperson of the Committee will generally be perceived as independent, for these purposes, if there has been a period of at least three years between previously being employed by the external audit firm and serving as Chairperson of the Committee. The Committee may, if it considers it appropriate, appoint a secretary. The Committee may take such independent advice as it considers necessary.

4. MEETINGS

The Committee will meet at least four times a year.

A quorum for a meeting of the Committee is two members.

The Committee may invite such other persons to attend their meetings as they consider appropriate. Committee meetings will generally be attended by the Chief Financial Officer and Chief Executive Officer. The Committee will meet with the Auditors in a one on one session at least twice a year.

The date, time and location of each Committee meeting will be notified by the Company to all members as far in advance as possible. Relevant Committee papers shall also be sent to members as far in advance as possible.

The proceedings of the Committee will be governed by the provisions of the Constitution that govern meetings of Directors, where applicable.

The Committee shall ensure that minutes of its meetings are kept and provided to the Board on a timely basis.
