EROAD to Announce Full Year Result on 30 May 2017

Auckland, New Zealand, 24 April 2017 – EROAD Limited (NZX:ERD) announced today that it intends to release its financial results for the year ended 31 March 2017 on Tuesday, 30 May 2017. The release will be issued by 10:00 am.

About EROAD

EROAD modernises road charging and tax compliance and health and safety compliance for road transport by replacing paper-based systems with easy-to-use electronic systems that also improve fleet management. The company is headquartered in Auckland, New Zealand, and listed on the New Zealand Exchange (NZX). Its US business is based in Portland, Oregon, serving customers with vehicles operating in every US mainland state, growing outward in concentration from the Northwest. In 2009 EROAD introduced the world's first nationwide electronic road user charging (eRUC) system in New Zealand and, in 2017, more than 50% of heavy transport RUC is expected to be collected electronically, representing a rapid transition to e-commerce on a voluntary, industry-led basis, due to the cost-savings and benefits to customers. EROAD is also a leading provider of health and safety compliance services, including vehicle management and driver behaviour and performance measures.
